Unique discoveries in three countries

Luther’s ground-breaking theses touched peoples’ everyday lives then and are still relevant today. The Luther Passport is your guide to eight places in three German countries and helps you to find out more about Luther and his times. In each town you are invited to discover the unique Reformation history of the place and to receive a stamp for your passport. Both will turn your tour into an unforgettable memory. The towns of Jüterbog, Wittenberg, Bad Liebenwerda, Torgau, Doberlug-Kirchhain, Herzberg, Mühlberg, and Finsterwalde are looking forward to putting their stamp on your personal history tour.
